Iceland photo index

26 gallery photographs. Combined slideshows retain their reference IDs.

IS001	**Waterfall beneath the cliffs** A narrow waterfall drops from snow-streaked cliffs into the shadowed valley below.
IS002	**Northern lights in the night sky** A faint green curtain of northern lights rises above a dark horizon and scattered clouds.
IS003	**Northern lights overhead** Green strands of the aurora stretch upward through the night sky.
IS004	**Travelers beside a statue** Two travelers smile for a close nighttime portrait with a lit statue behind them.
IS005	**Colorful fire hydrant** A painted fire hydrant stands beside a pale building, dressed in red, green, yellow, and cream.
