GR022	**A stop at the START sign** On a bike trail near Lake Michigan, my wife happened to stop beside a red sign shaped like a stop sign but labeled START. The little trick on the mind made this a funny snapshot from our ride along Michigan trailheads.
P27	**Sunset at our friends’ cabin** We caught this gorgeous sunset over a Wisconsin lake while visiting good friends at their cabin. The sun dropped behind the trees and laid a bright orange path across the water—a lovely moment from our time together.
